Northern Ohio ASSE  
FREE TECHNICAL WEBINAR

**Please join members of our Northern Ohio ASSE Chapter in a technical webinar on Electrical Safety Program Implementation on Tuesday, December 8, 2016 at 12:00 pm EST.**

Valerie Baker, CSP, CHMM, will share her experience in the implementation of a electrical safety system that meets the OSHA and 2015 NFPA 70E standard as applied to a Global network. Please join this webinar to learn about the elements that were implemented in Specialty Minerals, Paper PCC for Global employee electrical safety.

The presentation will cover the following elements:

- Engineering and design for electrical safety
- Specification and purchase of quality electrical systems
- Assurance of proper installation and commissioning
- Electrical Preventative maintenance

- Management of change
- Arc flash risk assessments
- PPE, Tools and Equipment
- Electrical safety and skills training: License and certifications

The webinar is limited to fifty participants. If you would like to join the webinar, please email [valerie.baker@mineralstech.com](mailto:valerie.baker@mineralstech.com) and you will be emailed a web link and telephone connection.
